## FOR YOUR INFO:

 If your pet becomes ill while boarding we will make **every attempt** to contact you before proceeding with veterinary service. If we are unable to reach you, a doctor will perform an examination so that proper medical care can be initiated. Additional diagnostic tests will be limited to those deemed absolutely necessary until which time we can discuss the full treatment plan with you.

 We are committed to discharging your pet clean at the end of their stay. If he/she becomes soiled while boarding **we will perform a basic bath for the nominal fee of \$15.00.** You may request an upgrade to a Deluxe Bath (for an additional fee) to be scheduled by our grooming staff prior to discharge.

 If a pet is to be picked up by someone other than the owner, payment arrangements must be made before pet will be discharged.
